INTRODUCTION

The Nevada Electronic Legislative Information System (NELIS) is a tool on the Legislative website for viewing Bill Draft Requests (BDRs) and content of bills, committees, committee meetings, budgets, and floor sessions.

NELIS allows you to access detail pages (for Bills, Budgets, Committees, and Meetings) from multiple locations in the program. This flexibility allows for quick navigation and recovery of information for the user.

NELIS HOME

The NELIS Home page provides a Daily Schedule of meetings for any day, Floor Sessions, and Upcoming Deadlines. It also provides access to BDR, Bill, Budget, and Committee information.

To access NELIS, from the Nevada Legislature website, <http://www.leg.state.nv.us/>, click the **NELIS** link.

The screenshot displays the NELIS Home page interface. At the top, there is a navigation bar with the following elements: "Nevada Legislature" (with a dropdown arrow), "NELIS", and "Sign in/Register" (with a dropdown arrow). Below this is a secondary bar with "Select a session" (with a dropdown arrow), "81st (2021) Session", and "Tuesday, January 19, 2021 - The 81st Session will begin on February 1, 2021". A main navigation menu includes "Legislation", "Budgets", "Committees", "Meetings & Floor Sessions", "Session Info", and "Tracking".

The main content area is titled "Nevada Electronic Legislative Information System" and includes a sub-header: "The 81st (2021) Session will begin on February 1, 2021".

There are two primary content boxes:

- Daily Schedule for Tuesday, January 19, 2021:** This box features a date selector set to "1/19/2021" and a message stating, "There are no meetings currently scheduled for this date."
- Upcoming Floor Sessions:** This box lists two sessions for Monday, February 1, 2021:
